

A Million Dreams

I close my eyes and I can see
A world that's waiting up for me,
That I call my own.
Through the dark, through the door,
Through where no-one's been before,
But it feels like home.

They can say, they can say it all sounds crazy.
They can say, they can say I've lost my mind.
I don't care, I don't care so call me crazy
We can live in a world that we design.
'cause every night I lie in bed -
the brightest colours fill my head,
A million dreams are keeping me awake.
I think of what the world could be,
a vision of the one I see.
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make.

There's a house we can build
Every room inside is filled
With things from far away.
Special things I compile,
each one there to make you smile,
on a rainy day.

They can say, they can say it all sounds crazy.
They can say, they can say I've lost my mind.
I don't care, I don't care so call me crazy
Run away to a world that we design.

Every night I lie in bed,
the brightest colours fill my head,
A million dreams are keeping me awake.
I think of what the world could be,
a vision of the one I see.
A million dreams is all it's gonna take
Oh a million dreams for the world we're gonna make.

However big, however small,
Let me be part of it all.
Share your dreams with me.
You may be right, you may be wrong,
But say that you'll bring me along.
To the world you see.
To the world I close my eyes to see
I close my eyes to see.

'cause every night I lie in bed
The brightest colours fill my head,
A million dreams are keeping me
A million dreams, a million dreams!
I think of what the world could be,
a vision of the one I see.
A million dreams is all it's gonna take
A million dreams for the world we're gonna make.
For the world we're gonna make.

Don't Give Up / You Are Loved

Don't give up
It's just the weight of the world
When your heart's heavy, I
I will lift it for you

Don't give up
Because you want to be heard
If silence keeps you, I
I will break it for you
Everybody wants to be understood
Well, I can hear you
Everybody wants to be loved
Don't give up
Because you are loved

Don't give up
It's just the hurt that you hide
When you're lost inside, I

I'll be there to find you

Don't give up
Because you want to burn bright
If darkness blinds you, I
I will shine to guide you

Everybody wants to be understood
Well, I can hear you
Everybody wants to be loved
Don't give up
Because you are loved
You are loved (*part 1 hold this note*)

Part 2 –
You are loved
You are loved
You are loved
Don't give up
You are loved

Part 1 –
lo – ve – d
Don't give up
It's just the way of the world

Part 2 –
Don't give up
Don't give up

You are loved

Part 1 –
Don't give up
Everyone needs to be heard
You are loved

Both –
Don't give up. Don't give up.

In the Pipes

Seated one day in the organ,
We were weary and ill at ease,
We sat there for three hours only,
Hid midst the dusty keys,
Cloaked within the pipes on stage,
Fearless fighting for a change,
Shouting 'We will have a voice,
Giving up is not a choice!'

Raging, never resting,
From our fierce protesting,
Unheard, pushed aside,
Good work girls, smart place to hide!

Raise your flag
Encourage your heart,
Brave your fears,
Elevate your voices
Let your message shine bright
In the pipes tonight,
Sing out proud, sing loud
Sing it here.
(REPEAT)

Our voices rang from the twilight
But nowhere could we be found;
They looked from the floor to the ceiling,
Then stewards came searching round.

Cloaked within the pipes on stage,
Fearless fighting for a change,
Shouting 'We will have a voice,
Giving up is not a choice!'

Raging, never resting,
From our fierce protesting,
Unheard, pushed aside,
Good work girls, smart place to hide!

Raise your flag
Encourage your heart,
Brave your fears,
Elevate your voices
Let your message shine bright
In the pipes tonight,
Sing out proud, sing loud
Sing it here.
(REPEAT)

Make Your Own Kinda Music/ Roar

Nobody can tell ya
There's only one song worth singing
They may try and sell ya
'Cause it hangs them up to see someone,
To see someone like you
But you've gotta - make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

Part 2 - You're gonna be nowhere
(*Part 1 - ooh, ooh, ooh*)

Part 2 - The loneliest kind of lonely -
It may be rough goin'
(*Part 1 - ooh, ooh, ooh..... hardest thing to do*)
Part 2 - Just to do your thing's - the hardest thing, the
hardest thing to do

I got the eye of the tiger, a fighter
Dancing through the fire
'Cause I am a champion, and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion, and you're gonna hear me roar
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh
You're gonna hear me roar

You've gotta - make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

Part 2 -

I got the eye of the tiger, a fighter
Dancing through the fire
'Cause I am a champion, and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion, and you're gonna hear me roar
Oh-oh-oh-oh-oh
Oh-oh-oh-oh-oh

Part 1 -

Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

Both

Oh-oh-oh-oh-oh
You're gonna hear me roar
Oh-oh-oh-oh-oh X3
You're gonna hear me roar
Make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along
You've gotta sing!

Naughty

Jack and Jill went up the hill to fetch a pail of water
So they say, their subsequent fall was inevitable
They never stood a chance, they were written that way
Innocent victims of their story

Like Romeo and Juliet

'Twas written in the stars before they even met
That love and fate and a touch of stupidity
Would rob them of their hope of living happily
The endings are often a little bit gory
I wonder why they didn't just change their story
We're told we have to do what we're told, but surely
Sometimes you have to be a little bit naughty

Just because you find that life's not fair, it
Doesn't mean that you just have to grin and bear it
If you always take it on the chin and wear it
Nothing will change

Even if you're little, you can do a lot, you
Mustn't let a little thing like "little" stop you
If you sit around and let them get on top, you
Might as well be saying you think that it's okay
And that's not right.

Cinderella, in the cellar
Didn't have to do much as far as I can tell
Her Godmother, was two thirds fairy
Suddenly her lot was a lot less scary
But what if you haven't got a fairy to fix it?
Sometimes you have to make a little bit of mischief.

Even if you're little, you can do a lot, you
Mustn't let a little thing like "little" stop you
If you sit around and let them get on top, you
Might as well be saying you think that it's okay
And that's not right.

And if it's not right
You have to put it right

In the slip of a bolt, there's a tiny revolt
The seed of a war in the creak of a floorboard
A storm can begin with the flap of a wing
The tiniest mite packs the mightiest sting
Every day starts with the tick of a clock
All escapes start with the click of a lock
If you're stuck in your story and want to get out
You don't have to cry, you don't have to shout

'Cause if you're little, you can do a lot, you
Mustn't let a little thing like "little" stop you
If you sit around and let them get on top, you
Won't change a thing
Just because you find that life's not fair, it
Doesn't mean that you just have to grin and bear it
If you always take it on the chin and wear it

You might as well be saying you think that it's OK
And that's not right
And if it's not right
You have to put it right
But nobody else is gonna put it right for me
Nobody but me is gonna change my story
Sometimes you have to be a little bit naughty

One Call Away

(solo)

I'm only one call away.

I'll be there to save the day.

Superman got nothing on me,

I'm only one call away.

Call me, baby, if you need a friend.
I just wanna give you love,
Come on, come on, come on,

Reaching out to you, so take a chance.
No matter where you go,
You know you're not alone.

I'm only one call away.
I'll be there to save the day.
Superman got nothing on me,
I'm only one call away.

Come along with me and don't be scared.
I just wanna set you free,
Come on, come on, come on,
You and me can make it anywhere.
But for now, we can stay here for a while.
Cos you know, I just wanna see you smile.
No matter where you go,
You know you're not alone.

I'm only one call away.
I'll be there to save the day.
Superman got nothing on me,
I'm only one call away.
And when you're weak - I'll be strong.
I'm gonna keep holding on.
Now don't you worry, it won't be long,
And when you feel like hope is gone,
Just run into my arms.

I'm only one call away.
I'll be there to save the day.
Superman got nothing on me,
I'm only one
I'm only one
One call away.
I'll be there to save the day.
Superman got nothing on me,
I'm only one call away.
(solo) I'm only one call away

Shine

You, you're such a big star to me
You're everything I wanna be
But you're stuck in a hole
And I want you to get out
I don't know what there is to see
But I know it's time for you to leave
We're all just pushing along
Trying to figure it out, out, out
All your anticipation pulls you down
When you can have it all
You can have it all

So come on
So come on, get it on
I don't know what you're waiting for
Your time is coming, don't be late, hey, hey
So come on
See the light - on your face
Let it shine, just let it shine
Let it shine

Stop - being so hard on yourself
It's not good for your health
I know that you can change
So clear your head and come 'round
You only have to open your eyes
You might just get a big surprise
And it may feel good
And you might want to smile, smile, smile
Oh, don't you let your demons pull you down
'Cause you can have it all
You can have it all

So come on
So, come on, get it on
I don't know what you're waiting for
Your time is coming, don't be late, hey, hey

So come on
See the light - on your face
Let it shine, just let it shine
Let it shine

Part 2 - Hey (Part 1 - hey)

Part 2 - Let me know ya (Part 1 - let me know you)

Part 2 - You're all that matters to me (Part 1 - you're all that matters to me)

Part 2 - Hey, let me show you (Part 1 - let me show you)

Part 2 - You're all that matters to me (Part 1 - you're all that matters)

So come on, get it on
I don't know what you're waiting for
Your time is coming, don't be late, hey, hey

So come on
See the light - on your face
Let it shine, just let it shine
Let it shine

Part 2 - Let me know ya (Part 1 - let me know you)

Part 2 - You're all that matters to me (Part 1 - you're all that matters to me)

Part 2 - Hey, let me show you (Part 1 - let me show you)

You're all that matters to me
So come on, so come on and get it on
I don't know what you're waiting for
Your time is coming, don't be late, hey, hey

So come on
See the light - on your face
Part 1 - Let it shine, just let it shine
Let it shine /
Part 2 - Let it shine - you're all that matters to me

You've Got a Friend in Me

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles from your nice warm bed
Just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
You've got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together, we can see it through
'Cause you've got a friend in me
Yeah, you've got a friend in me

Some other folks might be a little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you the way I do
It's me and you, boy
And as the years go by
Our friendship will never die
You're gonna see, it's our destiny
You've got a friend in me
You've got a friend in me
Yeah, you've got a friend in me

Sing, sing up, sing out, sing ev'ry day!

Something Inside So Strong

The higher you build your barriers
The taller I become
The further you take my rights away
The faster I will run.
You can deny me
You can decide to turn your face away
No matter 'cos there's ...

Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone... oh no
There's something inside so strong, ohhhh
Something inside so strong.

Part 1 –
The more you refuse
to hear my voice
Part 2 - Away, away, away, away
Part 1 -
The louder I will sing
You hide behind walls of Jericho
Part 2 - Away, away, away, away
Part 1 -Your lies will come tumbling

Deny my place in time
You squander wealth that's mine
My light will shine – it will blind you
'cos there's ...
Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone... oh no
There's something inside so strong, ohhhh
Something inside so strong.

Brothers and sisters
When they insist
we're just not good enough
When we know better
Just look 'em in the eyes and say
We're gonna do it anyway
We're gonna do it anyway ..

Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong

You thought that my pride was gone... oh no
There's something inside so strong, ohhhh
Something inside so strong.

Brothers and sisters
When they insist
we're just not good enough
When we know better
Just look 'em in the eyes and say
We're gonna do it anyway (x4)
Because there's...

Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone... oh no
There's something inside so strong

Something inside so strong
I know that I can make it
Though you're doing me wrong, so wrong
You thought that my pride was gone... oh no
There's something inside so strong, ohhhh
Something inside so strong, ohhhh
Something inside so strong, ohhhh
Something inside so strong.

You Gotta Be

Listen as your day unfolds
Challenge what the future holds
Try and keep your head up to the sky
Troubles, they may cause you tears
Go ahead, release your fears
Stand up and be counted
Don't be ashamed to cry

You gotta be
You gotta be bad, you gotta be bold, you gotta be wiser

You gotta be hard, you gotta be tough, you gotta be
stronger
You gotta be cool, you gotta be calm, you gotta stay
together
All I know, all I know, love will save the day

Herald what your mother said
Read the books your father read
Try to solve the puzzles in your own sweet time
Some may have more cash than you
Others take a different view
My, oh, my, eh, eh, eh

You gotta be bad, you gotta be bold, you gotta be wiser
You gotta be hard, you gotta be tough, you gotta be
stronger
You gotta be cool, you gotta be calm, you gotta stay
together
All I know, all I know, love will save the day

Time asks no questions, it goes on without you
Leaving you behind if you can't stand the pace
The world keeps on spinning
Can't stop it if you tried to
The best part is danger staring you in the face
Remember, listen as your day unfolds
Challenge what the future holds
Try and keep your head up to the sky
Troubles, they may cause you tears
Go ahead release your fears
My, oh, my, eh, eh, eh

You gotta be bad, you gotta be bold, you gotta be wiser
You gotta be hard, you gotta be tough, you gotta be
stronger
You gotta be cool, you gotta be calm, you gotta stay
together
All I know, all I know, love will save the day
X2

Got to be bold
Got to be bad
Got to be wise
Don't ever say it
Got to be hard
Not too, too hard
All I know is - love will save the day

You gotta be bad, you gotta be bold, you gotta be wiser
You gotta be hard, you gotta be tough, you gotta be stronger
You gotta be cool, you gotta be calm, you gotta stay together
All I know, all I know, love will save the day.

The Climb

I can almost see it
That dream I'm dreaming
But - there's a voice inside my head saying
You'll never reach it
Every step I'm taking
Every move I make feels
Lost with no direction
My faith is shaken
But I, I gotta keep trying
Gotta keep my head held high

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

The struggles I'm facing
The chances I'm taking

Sometimes might knock me down, but
No, I'm not breaking
I may not know it
But these are the moments, that
I'm gonna remember most, yeah
Just gotta keep going
And I, I gotta be strong
Just keep pushing on, 'cause

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

Keep on moving, keep climbing
Keep the faith, baby
It's all about, it's all about the climb
Keep the faith, keep your faith

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

Keep on moving, keep climbing
Keep the faith, baby
It's all about, it's all about the climb
Keep the faith, keep your faith
