

Year 6 Term 1 - Weekly Spelling Lists

Please note, class teachers might not schedule a formal spelling 'test' of these exact words in class. These patterns are being taught thrice weekly in spelling lessons, so learning them also at home will significantly help the children to retain them long-term and will help them to succeed in these lessons.

Week 1- homophones	Week 2- homophones	Week 3- prefixes	Week 4- suffixes	Week 5- statutory	Week 6- statutory	Week 7 – statutory (3/4)
heard herd see sea desert dessert guessed guest passed past allowed aloud	who's whose steal steel morning mourning father farther bridal bridle principal principle	unimportant disbelieve misremember inactive reposition submerge interactive supersonic antibiotic autograph	dictionaries especially courageous immediately peaceful achievement playfully gently merciless logically	amateur criticise harass sincere interrupt identity persuade conscience bargain interfere	recognise familiar recommend language excellent conscious forty sacrifice guarantee restaurant	fruit grammar group guard guide heart height history imagine increase important interest island
