Glory (Let there be peace)

One star burns in the darkness

Shines with the promise, Emmanuel

One child born in the stillness

Living within us, Emmanuel

We're singing glory, glory

Let there be peace, let there be peace

Singing glory, glory

Let there be peace, let it start in me.

One voice speaks for the voiceless

Hope for the hopeless, Emmanuel

One love brings us together

Now and forever, Emmanuel

We're singing glory, glory

Let there be peace, let there be peace.

Singing glory, glory

Let there be peace, let it start in me.

Do not be afraid, His love is strong enough to save us

Nothing stands in the way

His love is strong enough to lead us

Do not be afraid, His love is strong enough to save us

Nothing stands in the way

His love is strong enough to lead us

Singing glory, glory

Let there be peace, let there be peace.

Singing glory, glory

Let there be peace, let it start in me.

Singing glory, glory

Let there be peace, let there be peace.

Singing glory, glory

Let there be peace, let it start in me.

Let there be peace, let it start in me.

White Winter Hymnal

I was following the, I was following the,

I was following the, I was following the,

I was following the pack,

all swaddled in their coats,

With scarves of red tied round their throats

To keep their little heads

from falling in the snow.

And I turn round and there you go.

And Michael, you would fall

and turn the white snow,

red as strawberries in the summertime.

Ooooh, oooooh

I was following the pack

Peace

Peace in the valley
Peace in the city
Peace in your soul
Yeah
Peace in the valley
Peace in the city
Peace in your soul
Yeah

Yeah,
Yeah,
Yeah, I'm talking about a love,
Its deep in your heart
I know it's there
The love was given
So you can't survive
It's the part of us
That keeps us all alive

Peace in the valley
Peace in the city
Peace in your soul
Yeah
Peace in the valley
Peace in the city
Peace in your soul
Yeah

Now's the time
Look in your soul
Are you happy with the things
That you were born?
It gets better
That's for sure
Look to God and he will bless you
With more

Peace in the valley
Peace in the city
Peace in your soul
Yeah
Peace in the valley
Peace in the city
Peace in your soul

Yeah _
Can you feel it?
Can you feel it?

Can you feel it?
Can you feel it?

Yeah
Yeah
Peace in the valley
Peace in the city
Peace in your soul
Yeah
Peace in the valley
Peace in the city
Peace in your soul
Yeah

People don't you hear me,
Hear me calling out?
Give yourself some peace, peace of mind
Don't wanna have it
Deep in your soul,
All I wanna say is can you
Can you feel it?
Can you feel it?

Can you feel it?
Can you feel it?

Peace in the valley
Peace in the city
Peace in your soul
Yeah
Peace in the valley
Peace in the city
Peace in your soul
Yeah
Peace in the valley
Peace in the city
Peace in your soul
Yeah

Peace in the valley
Peace in the city
Peace in your soul
Yeah
Peace.

All is Found (Frozen II)

Where the North wind meets the sea
There's a river full of memory
Sleep, my darling, safe and sound
For in this river, all is found
In her waters, deep and true
Lie the answers and a path for you
Dive down deep into her sound
But not too far or you'll be drowned
Yes, she will sing to those who'll hear
And in her song, all magic flows
But can you brave what you most fear?
Can you face what the river knows?
Where the North wind meets the sea
There's a mother full of memory
Come, my darling, homeward bound
When all is lost, then all is found

Price Tag

Seems like everybody's got a price
I wonder how they sleep at night
When the sale comes first and the truth comes second
Just stop for a minute and smile
Why is everybody so serious?
Acting so damn mysterious
Got shades on your eyes and your heels so high
That you can't even have a good time

Everybody look to their left
Everybody look to their right
Can you feel that? Yeah
We're paying with love tonight

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag
Ain't about the, ah, cha-ching, cha-ching
Ain't about the, yeah, ba-bling, ba-bling
Wanna make the world dance
Forget about the price tag

PART 1

We need to take it back in time
When music made us all unite
And it wasn't low blows and video woes
Am I the only one getting tired?

PART 2

Ooooooh -
all unite
Ooooooh -

Why is everybody so obsessed?
Money can't buy us happiness

Can we all slow down and enjoy right now?
Guarantee we'll be feeling alright

Everybody look to their left (to their left)
Everybody look to their right (to their right)
Can you feel that? Yeah
We're paying with love tonight

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag
Ain't about the, uh, cha-ching, cha-ching
Ain't about the, yeah, ba-bling, ba-bling
Wanna make the world dance
Forget about the price tag

RAPPER ONLY

*(yeah, yeah) Well, keep the price tag and take the cash back
Just give me six strings and a half stack
And you can, can keep the cars, leave me the garage
And all I, yes, all I need are keys and guitars
And guess what? In 30 seconds, I'm leaving to Mars
Yeah, we leaping across these undefeatable odds
It's like this, man, you can't put a price on a life
We do this for the love, so we fight and sacrifice every night
So we ain't gon' stumble and fall, never
Waiting to see, this ain't a sign of defeat, uh-uh
So we gon' keep everyone moving their feet
So bring back the beat and then everyone sing*

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag

Ain't about the, ah, cha-ching, cha-ching
Ain't about the, yeah, ba-bling, ba-bling
Wanna make the world dance
Forget about the price tag.

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag
Ain't about the, ah, cha-ching, cha-ching
Ain't about the, yeah, ba-bling, ba-bling
Wanna make the world dance
Forget about the price tag.

Skyfall

This is the end
Hold your breath and count to ten
Feel the Earth move and then
Hear my heart burst again
For this is the end
I've drowned and dreamt this moment
So overdue, I owe them
Swept away, I'm stolen

Let the sky fall
When it crumbles
We will stand tall
Face it all together
Let the sky fall
When it crumbles
We will stand tall
Face it all together
At Skyfall
At Skyfall

Skyfall is where we start
A thousand miles and poles apart
Where worlds collide and days are dark
You may have my number, you can take my name
But you'll never have my heart

(Part 2 in brackets)

Let the sky fall *(let the sky fall)*
When it crumbles *(when it crumbles)*
We will stand tall *(we will stand tall)*
And face it all together
Let the sky fall *(let the sky fall)*
When it crumbles *(when it crumbles)*
We will stand tall *(we will stand tall)*
And face it all together
At Skyfall
Both – At Skyfall

(Part 2 in brackets)

Let the sky fall *(let the sky fall)*
When it crumbles *(when it crumbles)*
We will stand tall *(we will stand tall)*
And face it all together
Let the sky fall *(let the sky fall)*
When it crumbles *(when it crumbles)*
We will stand tall *(we will stand tall)*
And face it all together
At Skyfall
Both – At Skyfall

The Call

It started out as a feeling
Which then grew into a hope
Which then turned into a quiet thought
Which then turned into a quiet word

And then that word grew louder and louder
'Til it was a battle cry
I'll come back
When you call me
No need to say goodbye

Just because everything's changing
Doesn't mean it's never been this way before
All you can do is try to know who your friends are
As you head off to the war

Pick a star on the dark horizon
And follow the light
You'll come back
When it's over
No need to say goodbye
You'll come back
When it's over
No need to say goodbye

Now we're back to the beginning
It's just a feeling and no one knows yet
But just because they can't feel it too
Doesn't mean that you have to forget

Let your memories grow stronger and stronger
'Til they're before your eyes
You'll come back
When they call you
No need to say goodbye
You'll come back
When they call you
No need to say goodbye

The Prayer

I pray you'll be our eyes
And watch us where we go

And help us to be wise
In times when we don't know

Let this be our prayer
When we lose our way
Lead us to a place
Guide us with your grace
To a place where we'll be safe

What it Sounds Like

I broke into a million pieces, and I can't go back
But now I'm seeing all the beauty in the broken glass
The scars are part of me, darkness and harmony
My voice without the lies, this is what it sounds like
Why did I cover up the colours stuck inside my head?
I should've let the jagged edges meet the light
instead

Show me what's underneath, I'll find your harmony
The song we couldn't write, this is what it sounds like

We're shattering the silence, we're rising, defiant
Shouting in the quiet, "You're not alone"
We listened to the demons, we let them get between
us
But none of us are out here on our own
So we were cowards, so we were liars
So we're not heroes, we're still survivors
The dreamers, the fighters, no lying, I'm tired
But dive in the fire, and I'll be right here by your side.

We broke into a million pieces, and we can't go back
But now we're seeing all the beauty in the broken
glass
The scars are part of me, darkness and harmony
My voice without the lies, this is what it sounds like
Why did we cover up the colours stuck inside our
head?
Get up and let the jagged edges meet the light
instead
Show me what's underneath, I'll find your harmony
Fearless and undefined, this is what it sounds like
This is what it sounds like

Pt 2 – This is what it sounds like

Pt 1 – Oh-oh-oh-oh-oh-oh-oh-oh-oh-oh

Pt 2 – This is what it sounds like

Pt 1 – Oh-oh-oh-oh-oh-oh-oh-oh-oh-oh

Pt 2 – This is what it sounds like

Pt 1 – Oh-oh-oh-oh-oh-oh-oh-oh-oh-oh

This is what it, this is what it,
this is what it sounds like

We broke into a million pieces, and we can't go back
But now I'm seeing all the beauty in the broken glass
The scars are part of me, darkness and harmony
My voice without the lies, this is what it sounds like
Why did we cover up the colours stuck inside our
head?
Get up and let the jagged edges meet the light
instead
Show me what's underneath, I'll find your harmony
Fearless and undefined, this is what it sounds like
My voice without the lies, this is what it sounds like
Fearless and undefined, this is what it sounds like
Truth after all this time, our voices all combined
When darkness meets the light,
this is what it sounds like.

When You Believe

Many nights we prayed
With no proof, anyone could hear.
In our hearts a hopeful song
We barely understood
Now, we are not afraid
Although we know there's much to fear
We were moving mountains
Long before we knew we could.

There can be miracles when you believe
Though hope is frail, it's hard to kill
Who knows what miracles you can achieve?

When you believe, somehow you will
You will when you believe

In this time of fear
When prayer so often proves in vain
Hope seems like the summer bird
Too swiftly flown away
Yet now I'm standing here
My hearts so full, I can't explain
Seeking faith and speaking words
I never thought I'd say

There can be miracles
When you believe
Though hope is frail, it's hard to kill
Who knows what miracles you can achieve?
When you believe, somehow you will
You will when you believe

There can be miracles
When you believe
Though hope is frail
It's hard to kill
Who knows what miracles
You can achieve
When you believe somehow you will
Now, you will
You will when you
Believe
You will when you
Believe
Just believe (believe)
Ah-ah-ah.
