Registering for Instrumental/Vocal Lessons with Bristol Beacon Music Hub – 2026-27

Dear Parent/Carer

We are the music education hub for Bristol, appointed by the Department for Education and Arts Council England. We are working in partnership with your child's school to provide instrumental and vocal lessons through our Bristol Beacon Musical Schools Membership scheme.
Our tutors are experienced and highly qualified music educators who teach in schools across Bristol. Many are professional musicians who regularly perform in bands, orchestras, and ensembles. They specialise in delivering dynamic and effective sessions across a range of instruments and vocal styles and use the most current training methods and materials to inspire and engage young musicians. Tutors can also help students to take their learning to the next level with music exam support, out of school ensemble sessions and provide access to opportunities for gifted pupils.
Please note, you do **not** need to register your child if they have had lessons in academic year 24-25, they will automatically roll onto the next school year.

Registration for Instrumental & Vocal Lessons

Information for new registrations:
To register for lessons for the first time, please click here:
https://ukbristolbeacon.speedadmin.dk/play/catalogue/courses?locationIds=..663
After you have created your account and registered your child, they will remain on a waiting list until we have timetabled them with one of our tutors. Once they are timetabled, the fee for lessons is payable in advance and an invoice will be sent to you via your online account at the start of each term.

Instruments: Your child will need to have their own instrument to participate in lessons. We run an Instrument Hire scheme which you can read about in more detail here https://bristolbeacon.org/instrument-hire/ and can add instrument hire to your 'basket' when applying for lessons.

Bursaries: We offer a range of financial support for individuals, including bursaries, discounts and payment plans for those who are eligible. Please following the link for more information https://bristolbeacon.org/bursaries-discounts-and-fees/ If you think your child may be eligible for financial support, you can 'apply for a discount/music voucher' when you have added your selected lesson to your 'basket' when applying for lessons.

There is more guidance and information on each section of the registration process, which we hope will enable you to submit your application without any problems. If you do encounter any difficulties, please let us know by contacting bookings@bristolbeacon.org.

Best wishes
Bristol Beacon Music Hub Team
